RE: January 2012 Monthly Report

During the month of January, the West Lafayette Police Department received **1896 calls for service**, an increase of 61 calls (3%) from December 2011, and a decrease of 217 calls (10%) from January 2011.

The department's records division completed the WLPD 2011 Annual Report in January. In 2011, the department received 24,816 calls for service, an increase of 3,748 (18%) calls for service compared to 2010. The full Annual Report can be viewed at www.WestLafayettePD.us.

Late this past month the department's K-9 officers assisted the Beacon Academy with a search for illegal drugs on their campus as they have in past years. I am pleased to report that no contraband was located on the Beacon Academy campus.

The mild weather in January allowed the Neighborhood Resource Team to shift their focus from snow and ice removal management to trash and rubbish issues. The NRT addressed 74 trash and rubbish violations this past month, which is an effort usually reserved for the spring.

Respectfully submitted,
